

KILIMANJARO, TANZANIA

Education and Community Support Project

AfricanImpact

TARGET: INCREASE LITERACY IN ADULTS

Illiteracy is extremely high in Maasai adults, something that we must come together and change! Be part of our **award winning Maasai Literacy Programme**, by teaching for 1.5 hours every morning, we aim to increase the level of literacy in every single student. English is the key to future opportunities!

TARGET: QUALITY EDUCATION IN EARLY CHILDHOOD

By providing quality education in pre-schools we aim to target the huge gap between pre-school, primary school and secondary schools in Tanzania where they jump from Swahili to English with no preparation. Targeting early childhood development will help us reach our UN **#Global Goal 4 - Quality**

TARGET: IMPROVE THE WELL-BEING OF ELDERLY PEOPLE

By targeting the **#Global Goals 3 - Good Health and well-being**, we are improving the facilities at a run-down retirement home for the elderly residents who don't have families or an income to rely on. We offer a fun social environment to promote the well-being, health and social lives of these inspiring characters that you'll become very fond of!

TARGET: SUPPORT CHILDREN WITH DISABILITIES

We believe in empowering people irrespective of their age, sex, disability, race, ethnicity, origin, religion or economic status. In line with - **#Global Goals 10 - Reduced Inequalities** - you will play a major part in supporting a local school for children and young adults with hearing impairments who lack support elsewhere. Be the change!

FUN FUN FUN

It can't always be all work and no play. You'll be living at the gateway to some of the best wildlife reserves on earth, take a weekend excursion to the **Serengeti** or **Ngorogoro crater** and get lucky spotting the **Big 5**. Take a Hike! Day walks galore around famous **Mt.Kilimanjaro**. If time permits, make an attempt on the summit and glimpse the world from 5895m, the highest point in Africa. **Like coffee?** Visit a local plantation on the hills of Kili to learn all about 'kahawa'. Pick it, roast it, smell it, drink it! Fancy a dip? Head to a nearby tropical waterfall or reward yourself with a blissful soak in **natural hot springs**. Hop on a flight to the famous **'Spice Island'** of Zanzibar: relax on the gorgeous palm fringed beaches and wander happily around the quaint, charming **Stone Town**.
